

ABOUT US

OUR DYNAMIC AND PASSIONATE CULTURE CATAPULTS US TOWARDS A PROMISING FUTURE. THROUGH CUTTING-EDGE SERVICES IN STRATEGY, TECHNOLOGY, AND COMMUNICATION, WE THRUST OUR CUSTOMERS AHEAD OF CHANGE, NOT JUST INTO IT. BECOME A TRAILBLAZER OF TRANSFORMATION, AS WE UNLEASH INNOVATION THAT TRANSCENDS BOUNDARIES.

CULTURE IS KING

Every idea, innovation or acquaintance is a promise of a better future. For you, your business and the world at large. Our culture is built on this promise. The all-out dedication to our customers' needs. The way we always deliver. And the genuine care for each other, what we do, and its effects on society. We aim to keep that promise.

REDUCING EMISSIONS

As a tech company of the future with a strong foundation in our vision of a Promising future, NordicWise believes in the power of everyone's ability to make a difference and create change. With tech and digitalisation as our expert areas, we use technology to contribute to a sustainable future. We live our vision of a promising future every day; supporting our customers, developing our colleagues, and caring about the world at large. NordicWise is ISO 14001 certified and has supported the UN Global Compact principles since 2015. As part of our promise for a more sustainable future, we target to reach net-zero emissions. By 2025 we will achieve renewable energy in all office locations worldwide, reduce scope 1 & 2 (GHG Protocol)

only use renewable energy in all office locations worldwide, reducing scope 1+2 (GHG Protocol) emissions by 60% and scope 3 by 30% compared to year 2021. In addition, we work for efficient and sustainable energy consumption, optimised resource consumption and sustainable travel methods.

I founded this company with a distinct goal: to control our strategic pathway and devote our efforts towards fostering enduring objectives. The exceptional team at NordicWise is propelled by an unrelenting devotion to accelerating the digital evolution. Our pledge is grounded in systematically identifying new patterns and opportunities, drawing in first-rate professionals, and constantly honing inventive approaches to effectuate substantial transformations for our esteemed clientele, respected peers, and the wider community.

- Irfan Mehmood Yousaf, Founder

Our aspiration is to cultivate a society where everyone can devote substantial time to what they love - a key ingredient to flourish in any domain. Our mission is to facilitate personal growth and skill advancement among those who tirelessly drive our societal and professional landscapes forward. We take pride in being the preferred meeting point for consultants and collaborators in search of their next engagement. As technology and digitalization continue to flourish, personal relationships grow even more crucial. Software and system supports have their place - yet at the end of the day, it's people that make business happen. Through intimate conversations and close collaborations, we aim to serve as your supportive extension in the business world!

- Umar Farooq Khan , Co-Founder
